Commander's Comments:

It's been a couple months of quarantine for all and we have worked hard to do some cosmetic updates to the post while closed. We certainly hope you like the new look. Starting in June we will have our Executive Board and General election Meetings. Times have not changed. Due to the virus, there will not be elections this year, so all officers will remain in the positions they had last year with the exception of Rodger Wiant coming on as the 1st Vice to replace Bob Brauning.

CANTEEN NEWS:

Manager's Comments:

WE ARE OPEN!

It is so good to be able to send the newsletters out. A HUGE thank you to our one and only Diane bartender/waitress extraordinaire, as she has offered to publish it for us. Rock solid employee right there!!
THANK YOU DIANE!

It has been some time since being able to see all your beautiful faces! We miss you! We have made some improvements that we think you will enjoy! It was time! However, because of the Covid-19 virus, we have had to make some temporary changes, but we should be able to handle them in true veteran fashion. You will see hand sanitizer around the bar and lounge area, please use but do not take. Unfortunately we will not be able to make popcorn for self-serve, for now. You are NOT required to wear face masks, nor will the bartenders, but we are leaving that decision up to them and you. Our main concern is yours and our employees' health, but we also understand we are an establishment where you consume food and a mask may hamper that activity.

If you come in small groups, up to 10, you may sit together, other groups or individuals will be spaced 6 feet apart. There may be limited spacing at the bar. We ask if you are ill to please refrain from visiting until you are better. All the books will begin the day we open. Please do NOT move tables, the Health Department has approved our layout. Let's get through this temporary situation as easily as we possibly can. Happy June everyone!! Looking forward to seeing you all!

With love, Kim
