## CANTEEN NEWS:

Wow and thank goodness 2020 is almost out of here! This past year has been a serious crazy time that I would personally love to forget. Do we really need to set the clocks back an hour in November? I think we just need to let that one go.

Steak nights are back with a vengeance! If you haven't stopped in on a Thursday night, you're missing out. Due to some recent changes in kitchen staff we will only be able to serve lunch on Monday, Tuesday and Wednesday beginning Oct 12th. Our dinner hours will be the same Monday - Thursday 4:30 to 8:00pm. Last call @ 7:45pm. Sunday's kitchen is open from 12:30 to 4pm, last call at 3:45pm. We will not have a Sunday kitchen on October 11th.

We have extended the Canteen's Sunday hours to 9pm!

The Riders group will begin their breakfast fundraiser on October 11th and it will occur the 2nd Sunday of every month through May 2021. Breakfast will only be served from 8:00 to 11:00am.

I would like to thank everyone for their patience with our Covid19 issues. There are many things with the restrictions that you may not fully acknowledge or understand. *Please* before you complain to the health department about something, talk to me or the executive board. There are many exemptions that are involved with mandates. For instance, the health department does not want the cooks wearing masks while working over the fryers and the grill. The mask creates a more serious problem than the virus itself. Besides, this is *your* club, do you really want to see it go away? If you are still concerned with the virus and what we can do to help you understand, please speak to me directly. I have had long discussions with the health department and have sent documentation of diagrams and our exemptions...all have been approved. There has NOT been one case of Covid 19 traced back to our post.

One last thing. PLEASE!! It is against health department regulation for you to be in the kitchen while it's in operation by my cooks. The only persons allowed in the kitchen during operation are the are paid staff. The ONLY exception of course, Fish Fry's each Friday night are for appointed volunteers working the event. You would never walk into the kitchen of McDonald's or one of our local restaurants...please DON'T do it here. You are creating a health hazard.

Thank you! Love to all, Kim
