COMMANDER'S COMMENTS:

Digging out of the wild weather we have been having and looking forward to the rest of the year. We will be having a reverse raffle coming up in the spring. Look out for the time and date for this event. Shout out to the Browns Backers. The season may be over but we appreciate you all coming to the post and watching the games with us. Like a good Browns fan always says "looking forward to next year".

Looking for members that are professionals and technically skilled folks. We have work that needs done on a consistent basis around the post. Call for Kim or I, if you would love to help. A number of members have put time into helping the club by preparing paperwork, fixing coolers, repairing HVAC, mowing lawns, to preparing food. I would call out names, however I'd miss a few. You know who you are and you are deeply appreciated.
