VETERANS WEEK at the LEGION

Veterans Day ~ Tuesday, November 11

Our Honor Guard is busy today honoring veterans, initially at the cemetery for an 11am Veterans Day ceremony and later, are on duty at Roosevelt HS for a 3:30 dedication ceremony as a portion of SR 43 is being named in honor of local Army Specialist, Adam S. Hamilton, who gave the ultimate sacrifice while deployed in the Middle East.

Stop by our Post for some drink specials and enjoy something to eat while honoring Veterans Day with fellow vets and friends. Also, be sure to take advantage of restaurants and businesses across the country that offer free or reduced prices on meals and various store discounts. Try www.legion.org for a list of participating business. (You may see me at Bob Evans for morning pancakes, Panera for a pick2 lunch and O'Charleys for a dinner entrée from a special menu.) THANK YOU VETS!!

Flag Retirement Ceremony

Our Post parking lot is the site for the annual burning ceremony to properly retire worn out flags. Along with a local Boy Scout troop, our members, led by our Honor Guard, will retire all those flags collected this year, and will properly retire your flag(s) if you so wish to bring them in. Join us Saturday at 1pm for this ceremony, a meaningful service to our community.

Annual S.A.L. Early Bird Dinner - 5:30pm to 7:30pm

Our SAL treats us each year to a FREE dinner, IF you qualify as an Early Bird (one who pays his/her annual dues early—before the date of the dinner). This year's offering to the Early Birds is a pork roast dinner. And, to those who may be joining their Early Bird for dinner or for any one who just wants a good, inexpensive (under\$10) pork roast dinner, get signed up in the canteen this week, so the SAL has an idea of how many dinners will be needed. This is also a great way of honoring our fellow member vets for their service. Join us!

Live Music Nite! Three on a Tree Entertains

It's live music once again in the canteen with 3 on a Tree playing all your 50s, 60s & 70s favorites throughout the evening. After a great dinner, stick around and enjoy these musicians as they bring back some of your favorite tunes.
